OTHER RELEVANT INFORMATION

With deep sorrow, we regret to inform you of the passing of Mr. Joan Planes Vila, founder and Honorary Chairman of Fluidra.

Joan Planes (Estamariu, 1941) founded the first company "Astral S.A. de Construcciones Metálicas" of the Fluidra group in Barcelona in 1969, alongside three partners (the Serra, Corbera, and Garrigós families). He led the group, driving its growth and national and international expansion for 37 years, until 2006, when he became Chairman of the Board. In 2016, he was appointed Honorary Chairman, remaining connected to Fluidra and contributing his vast entrepreneurial experience to corporate social responsibility initiatives and support programs for entrepreneurs. Also in 2016, under his leadership and initiative, the Fundació Fluidra was created with the aim of promoting equitable access to swimming pools and swimming, recognizing the therapeutic benefits these activities provide.

Joan dedicated his life to the Fluidra project and serves as an example to all of us. The entire Fluidra family shares in the sorrow of his loss.
